## **Resources for Neonatal Abstinence Syndrome Awareness Month**

### **Background:**

June is Neonatal Abstinence Syndrome(NAS) Awareness Month in Texas. In recognition of NAS Awareness Month, HHSC is hosting several NAS-related events on Zoom featuring CE credit.

### **KeyDetails:**

HHS is requesting MCOs share the information on these events in the attached PDF with providers and appropriate staff. Registration is free, however a separate registration is required for each event.

### **Additional Information:**

NAS Symposium website: <https://wp.uthscsa.edu/nas-symposium/>

Where to register for each course: <https://ce.uthscsa.edu/browse/nursing>
